Subject: Application for the position of Addiction Therapist

To,

Samarpan Rehabilitation

Dear Sir/Madam,

Reference subject, I Mark Fernandes would like to apply for the position of Addiction Therapist at Samarpan Rehabilitation. I'm a recovering addict and into recovery since 2020 and working in the field of Addiction and HIV/AIDS.

Further, I have been working at different capacities and levels in this field and currently working as a Addiction Counsellor/Therapist and Project Director for Vasai Region Aids Control Society (VRACS), a project of Maharashtra State Aids Control Society (MSACS).

As a recovering addict myself, my skills, knowledge and experience in the field of Addiction would be an asset for the institution and would be a value addition to the services we provide for our afflicted clients.

Thank you for considering my application and I look forward to discuss my experience and skills further.

Sincerely,

Mark Fernandes
