Dear Hiring Committee,

I am writing to express my interest in the Addiction Therapist position at Samarpan Recovery. With a background in psychology and specialized training in de-addiction counselling, I am deeply committed to supporting individuals on their journey toward recovery and long-term well-being.

My interest in addiction therapy first peaked during my clinical training at RML Hospital, where I had the opportunity to take case histories and observe clients struggling with substance use disorders. This experience offered me valuable insight into the psychosocial complexities of addiction and reinforced my desire to work in this field.

Following that, I completed a certification course in Counselling from NISD, facilitated by NDDTC, AIIMS, where I received in-depth training from some of the best trainers in India in Substance Use Disorder (SUD) management and Twelve-Step Facilitation. The course emphasized both clinical understanding and the therapeutic process of recovery — integrating empathy, motivation enhancement, and relapse prevention strategies.

I hold a Master's degree in Psychology and have also pursued the PG Diploma in Guidance and Counselling (PGDGC) from Jamia Millia Islamia. These academic foundations, combined with my hands-on exposure to addiction cases, have prepared me to work collaboratively with clients, families, and multidisciplinary teams to promote holistic recovery.

I am drawn to Samarpan's evidence-based and client-centered approach, and I deeply resonate with your commitment to providing compassionate, structured, and professional care for individuals overcoming addiction.

I would be grateful for the opportunity to contribute to your team and to continue learning in a supportive clinical environment. My CV is attached for your kind review.

Thank you for your time and consideration. I look forward to the opportunity to discuss how I may contribute to your mission at Samarpan Recovery.

Sincerely,

Rajat Yadav
