Subject: Application for the Position of Clinical Psychologist

Dear Sir/Ma'am,

I am writing to express my interest in the position of Clinical Psychologist at your organisation. Having recently completed my M.Phil. in Clinical Psychology (RCI registered), I bring supervised experience in psychodiagnostic assessments, case formulation, and psychotherapy with diverse clinical populations.

I am trained in administering and interpreting intelligence, objective, projective, and neuropsychological assessments, and have a strong interest in providing both inpatient (IPD) and outpatient (OPD) care. I utilize eclectic therapeutic approaches and evidence-based interventions tailored to each client's needs. Additionally, I am enthusiastic about participating in collaborative research to enhance evidence-based mental health care.

I would welcome the opportunity to contribute my clinical skills, theoretical knowledge, and commitment to compassionate care to your team.

Thank you for your time and consideration. I look forward to the possibility of contributing to your organisation.

Warm regards,

Nishka Mehta
